

For the 2018 pledge year, ECR received 44 pledges with an average pledge of \$3,444 for total pledge income of \$151,548. The average annual pledge for the Diocese of Texas was \$4,452 in 2017.

For the 2019 pledge year, our goal is to raise \$190,000. The increase of approximately \$40,000 will enable us to replace \$35,000 of income currently funded by the diocese and to reduce the deficit.

**GOAL:** 11 new pledgers at \$3,500 per year OR all current pledgers increase pledge by a minimum of \$17 per week or ~\$870 per year.

**Please consider giving at a minimum 5% of your household income.**

**Please consider increasing your current pledge by more to help compensate for others whose income may fluctuate down this year.**

Please help us make this the best year yet for ECR! Help us reach this bold yet achievable goal of \$190,000 in pledge income for 2019.
